Natural Sweetness - Organic

Natural Sweetness is suitable for diabetics and health-conscious people. Glycemic index = 0, basic, 0 calories and toothfriendly. The ingredient erythritol is 100% organic certified, occurring in various plants and fruits in nature. Its excellent tolerance is also due to the fact that erythritol is already present in the human organism in a natural way. The erythritol contained in *Natural Sweetness* is extracted via bioengineering techniques from controlled organic plants. To make for a continued sweet and healthy enjoyment of the finest quality.
